Vaughan Baptist Church,

Thank you so much for all you do for Vaughan Elementary School. Your donation of paper for our teachers, belts and socks, snow cones at Field Day and most importantly, your support is so appreciated.

The snow cones were a big hit at field day. Every student and staff member was so excited to get a snow cone and not have to pay for it. They enjoyed adding flavors to make their snow cones unique. I loved my snow cone as well. I will send a picture so that you can see the snow cone I enjoyed on Field Day.

Your church is such a wonderful group to work with. You are always so considerate and help in any way. I look forward to working with you this school year. You are a generous supporter of Vaughan Elementary School. We appreciate your support and feel your prayers. We genuinely appreciate your generosity. Please keep our school on your prayer list. We covet your prayers and support.

Sincerely,
